FLOREAT SPARKLING BOTANIC WINE

Uplift and unwind with **Floreat Classic**. Floreat's signature balance of herbal and floral extracts is presented with a 5.4% ABV - carefully balanced to create the sensual and social pleasures of wine.

Light and fresh from the first moment, summer scents immediately raise the spirits, sparkles bring a sense of festivity, the crisp and zesty mouthfeel languishes into a complex body with tones of stone fruit and citrus emerging towards the finish.

Included in every bottle:

- 20 fresh organic rose petals
- 50 lime flowers
- 75 milk thistle seeds
- 40 violets
- A pinch of St John's Wort and Horsetail
- Vegan / Vegetarian
- Lower calorie (89Kcal/100ml)
- Lower alcohol (ABV 5.4% vs. 12-12.5%)

Glass of Floreat Botanic Wine

£10.00

MEET OUR BRANDS

ELEMIS

Elemis was founded in London in 1990 and for 30 years have been committed to pro-Skincare powered by active naturals in sublime textures, with proven results. Elemis are passionate about taking care of your skin, with a focus on delivering proven results with feel-good skincare products combined with cutting-edge patented technology. The award-winning skincare portfolio includes face and body skincare products with revolutionary formulas and spa treatments.

MADE FOR LIFE ORGANICS

Made for Life Organics grew from a need for skincare that nourishes your body both inside and out. Originally developed from an orthodox medical background, the products combine dermatological science with the strength and purity of botanicals. Since their conception, the formulations have evolved with dermatological research and that of the incredible power of nature. Our accompanying treatments are carefully designed to suit those who are living with limiting health issues and encourage a state of deep relaxation.

OTO

OTO have expertly crafted holistic body experiences, containing pure CBD isolate in luxury massage oils, that work to relax and balance your body & mind. Both treatments and products have been built to align with our natural daily rhythm, and balance conditions such as stress, anxiety, pain, inflammation and sleep problems.
